CLC Special Agreement Regarding Labor Codes of Conduct and Fair Labor Association College/University Licensee Program Requirements

Campus protests regarding the labor and workplace practices of collegiate licensees have affected virtually everyone associated with collegiate licensing during the last ten years. To respond to this issue, CLC's license agreement includes a set of requirements that many CLC Institutions require for licensees to implement within their operations and those of their supply chain partners. Following is a summary of these requirements, which accompany CLC's License Agreement as the "Special Agreement Regarding Labor Codes of Conduct" ("Labor Code").

Labor Code Provision	Summarized Description for Licensees and their Suppliers
Public Disclosure of Suppliers	Each Licensee shall disclose to the Collegiate Institution or its designee the location (including factory name, contact name, address, phone number, e-mail address, products produced, and nature of business association) of each factory used in the production of all items which bear Licensed Indicia. Such information shall be updated upon change of any factory site location. The Collegiate Institution reserves the right to disclose this information to third parties, without restriction as to its further distribution.
Wages and Benefits	Licensees recognize that wages are essential to meeting employees' basic needs. Licensees shall pay employees, as a floor, at least the minimum wage required by local law or the local prevailing industry wage, whichever is higher, and shall provide legally mandated benefits.
Working Hours	Working Hours: Except in extraordinary business circumstances, hourly and/or quota-based wage employees shall (i) not be required to work more than the lesser of (a) 48 hours per week and 12 hours overtime or (b) the limits on regular and overtime hours allowed by the law of the country of manufacture or, where the laws of such country do not limit the hours of work, the regular work week in such country plus 12 hours overtime; and (ii) be entitled to at least one day off in every seven day period.
Overtime Compensation	Overtime Compensation: In addition to their compensation for regular hours of work, hourly and/or quota-based wage employees shall be compensated for overtime hours at such a premium rate as is legally required in the country of manufacture or, in those countries where such laws do not exist, at a rate at least equal to their regular hourly compensation rate.
Child Labor	Child Labor: Licensees shall not employ any person at an age younger than 15 (or 14, where, consistent with International Labor Organization practices for developing countries, the law of the country of manufacture allows such exception). Where the age for completing compulsory education is higher than the standard for the minimum age of employment stated above, the higher age for completing compulsory education shall apply to this section. Licensees agree to consult with governmental, human rights and nongovernmental organizations, and to take reasonable steps as evaluated by CLC, the applicable Collegiate Institution(s) or their designee, and the applicable Licensee(s) to minimize the negative impact on children released from employment as a result of implementation or enforcement of the Code.
Forced Labor	Forced Labor: There shall not be any use of forced prison labor, indentured labor, bonded labor or other forced labor.
Health and Safety	Health and Safety: Licensees shall provide a safe and healthy working environment to prevent accidents and injury to health arising out of, linked with, or occurring in the course of work or as a result of the operation of Licensee facilities.
Nondiscrimination	Nondiscrimination: No person shall be subject to any discrimination in employment, including hiring, salary, benefits, advancement, discipline, termination or retirement, on the basis of gender, race, religion, age, disability, sexual orientation, nationality, political opinion, or social or ethnic origin.
Harassment and Abuse	Harassment or Abuse: Every employee shall be treated with dignity and respect. No employee shall be subject to any physical, sexual, psychological or verbal harassment or abuse. Licensees will not use or tolerate any form of corporal punishment.
Freedom of Association and collective bargaining	Freedom of Association and Collective Bargaining: Licensees shall recognize and respect the right of employees to freedom of association and collective bargaining
